ABOUT US

With a combined experience of over 30 years, Australia Air Conditioning and Electrical (AACAE) are experts in heating, ventilation and air conditioning (HVAC), and electrical services. At AACAE, we are proud to provide Melbourne with high-quality services that exceed clients' expectations every time.

Our Managing Director, Andy Mackay, has over 18 years of electrical and air conditioning experience. As an electrical specialist, Andy provides unrivalled advice, solutions, and expertise to our clients across Melbourne.

Our Director, Luke Walsh, has over 13 years of experience supplying, installing, and maintaining ducted system of all forms. His experience and extensive expertise make him a specialist in everything to do with HVAC systems.

Together, Andy and Luke are a powerhouse team that provide performance-driven solutions on time and on budget.

As a dual company, supplying both HVAC and electrical services, you can rely on us to provide outstanding solutions for a variety of projects, big or small. We are excited to offer heating, cooling, mechanical ventilation and electrical solutions to people and businesses across Melbourne, as it means our clients can deal with only one company.

Passionate about providing air conditioning and electrical services to people and businesses across Melbourne. With high standards, we are committed to exceeding clients' expectations every time. We also offer great warranty terms which, in line with Australian standards. For our HVAC solutions, we offer a six-year workmanship guarantee and for our electrical solutions, a seven-year workmanship guarantee. You can rely on us to deliver outstanding and high-quality solutions everytime.

As specialists in new home, multi unit developments, high end homes, light commercial and more, we are proud to provide superior services to people across Melbourne.

OUR MISSION

To lead the industry in providing the best air conditioning and electrical services available.

OUR VISION

Provide the best quality air conditioning and electrical services we can across Victoria.

OUR VALUES

Honesty

We believe in providing trustworthy and reliable services to people and businesses across Melbourne.

Integrity

We are passionate about what we do and committed to providing exceptional services that exceed clients' expectations.

Quality

We only use and recommend the best products available to ensure we maintain our high standards.

Relationships

Our clients are our top priority, and we believe in building long-lasting relationships with everyone we meet.

Communication

We believe in clearly communicating with everyone we work with, to ensure a safe solution that meets clients' budgets and timeframe.
